# NEIGHBOURHOOD WATCH

**The aim of a Neighbourhood Watch Scheme** is to bring together like minded neighbours who wish to create a strong friendly community where crime and anti-social behaviour is less likely to occur.

By being a member of a Watch scheme you will be a valued link between your community and the Police.

There is no lower or higher limit on how many members there can be in a scheme.

The police will not run the scheme, as to how that is done is up to the members, however the Police will provide help and advice.

You may decide to have regular meetings of your members; if so Police staff will do all they can to attend and support those meetings if requested.

Being a coordinator or a member can take as much or as little time as you wish; all we ask is that if you have a concern or become aware of any unusual or suspicious activity you report it to Police via the 101 number.

It has been proved that where there is a NHW scheme in place, crime and ASB decreases and the area becomes a safer and more pleasant place in which to live.

NHW members are valued by the Police for the time and work they do to lessen crime and help keep Shropshire a low crime area.

## **Mobile Police Surgeries**

During July the team have conducted pop up Mobile Police Surgeries in Bayston Hill, Atcham, Eaton Constantine, Buildwas, Woolstaston, Picklescott, Pulverbatch, and Stapleton.

## **Mobile Technology**

New technology has now been rolled out which will in future enable us to perform some administrative duties whilst out on patrol. To that end I am looking to identify buildings that have WiFi capability and to which we could have access. If we could utilise your Village Hall I'll need the WiFi password and a spare key.
