

## Parish Footpaths

All Stretton, Smethcott and Woolstaston Parish are rural Parishes, and are well provided with footpaths suitable for exploring. Many are also bridleways, and support horses and other users.

The footpath network is extensive, and is, of course, mapped on the Ordnance Survey 1:50000 and (better) 1:25000 maps of the area.

### Problems with a footpath?

You can report issues with Shropshire footpaths to Shropshire Council

<http://www.shropshire.gov.uk/countryside.nsf>

or by writing to

Principal Rights of Way Officer  
Shropshire County Council  
Countryside Service  
The Shirehall  
Abbey Foregate  
Shrewsbury SY2 6ND

Our footpath warden, C'Ilr Joanna Burton, is attempting to create an All Stretton, Smethcott and Woolstaston Parish Footpaths Group. Local volunteers would then work with officers of Shropshire Council's Countryside Access Team to monitor and improve the public rights of way and repair stiles within our parish. All materials and tools are provided free by Shropshire Council – the local volunteers provide the labour. By volunteering to join locals would make All Stretton, Smethcott and Woolstaston paths much more accessible for all and a great asset to our community.

If you would like to help please e-mail Joanna
